

Since 1978 Castro Lighting embraces the creation of luxury lighting design. For almost 40 years, the company is recognised as an international reference in the sector providing the premium market with first-rate lighting solutions. The Portuguese crafting traditions shape the creation of unique pieces that stand out in exquisite spaces spreading shades of elegance and sophistication.

CLASSIC

Castro Lighting classic accent is an elegant blend of refined materials including brass, marble and crystals. Each Swarovski crystal is handled with love so each piece is no less than perfect. The look of timeless design is shaped in grand chandeliers in Venetian Style, Art Deco shapes, Hollywood glamour, a fusion of the Golden Age with Swarovski crystals.

MODERN

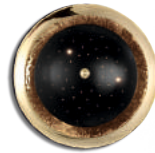

Modern design is connected to the age of industrialisation belonging to a period between the 20s and the 50s. Castro Lighting studio develops statement modern pieces mixing minimal textures and bold geometric forms with polished finishes and asymmetrical balance. Aiming to provide professionals with modern new designs, the collections get a twist with a fresh classic tone. A modern luxury statement.

## LIFESTYLE

The passion for design is reflected in the shapes and materials of our pieces. Embracing all of our inspirations we created a dynamic lifestyle section to embody the world of Castro Lighting. The harmonious combination of the state-of-the-art technology, knowledge and skills of experienced artisans allows us to create original models and limited series of fine lamps and other contemporary design pieces.

- CE - Products manufactured according to the European norm of security EN 60 598-1.
- F - Products adjusted for installation in surfaces normally inflammable.
- - Products of class II. The electric isolation is double or reinforced.
- ES - Products with the possibility of installation of low-energy consumption bulbs.

Castro Lighting reserves the right to change at any time and without prior warning the technical specification of any product illustrated in this catalogue. The sizes indicated in the catalogue are only approximate, therefore, a small difference is to be expected. The colours reproduced in print are only indicative and may vary a little from the original products.
